Coalition Leadership

Amanda Phung participated in the February monthly meeting for the first time the official capacity as Coalition Secretary. Again, we are so grateful for her leadership and commitment to moving our community toward health. Uniting Stories is still looking to fill the roles of chair and co-chair so please continue to consider these roles either for yourself or someone who may be a good fit. We continue discussion concerning filling leadership roles that have been left vacant including Social Media Liaison.

If you are interested in stepping into a leadership role within the coalition please let me know. We have so many incredible community leaders in our midst so if there is someone you have in mind who you imagine would thrive in a leadership role, please have a conversation with them to let them know, or let me know.

Sector Representatives

To increase consistent engagement within the community we are developing a more formal role of “Sector Representative” within the Coalition. Please look through the list of [“sectors”](#) and contact Ryan Ciganek if you would like to step into the role of Sector Representative for the sector of the community that you can represent within the coalition.
